

ROUND ROCK CHAPEL – ROUND ROCK, TX
BOBBY HILL: Sunday, March 21, 2010 (11:00 CDT)

"This gentleman right here ... Would you come here, please? Rich! Alright, God bless you brother! Thank you Jesus! Thank you Jesus, thank you Jesus, thank you Jesus! Hallelujah, the Lord just ... I k... , I saw something hanging over ya', I just wanna point it out and ... and minister to you by the Spirit.

Uh, I – I saw ... what I believe the Lord just showed me as, uh, a 'seed'. And I saw it ... ah-uh, ah, the word that I saw imprinted over you was disappointment. And then I ... I felt like the Lord just showed me that it wasn't necessarily hanging over you today in terms of 'prevailing' ... but it was a seed from the past. I don't know how far ago, could be, could be 30 years ago for all I know, but I felt like the Lord said, "My son, 'guard your heart', that I may accomplish my best in you. For I **have**' set you apart, and I have consecrated you ... even before the foundations of the Earth I had in My Mind a plan ... for how I would use you. And surely, the enemy has come from time to time ... to distract you ... from that 'plan' that I have had as your destiny. Do not allow the seeds that have been planted, or the seeds that have even been sown, onto your ground! Do not allow them to take root, says the Lord, but be aware of them, because out of the issues of the heart ... the Lord says, will determine your future. And I say unto you son, "attitude" ... is absolutely essential. 'Attitude', My son, is the key! For surely the attitude shall determine how I am able to maneuver and to use you, now and in the future. And surely the enemy has come and he has spoken words, and things have come into one ear and, from the other side, and they have attempted to 'move your attention' and 'move your face' to turn it ..." I just saw it ... just kind of in the spirit, it's just like something happened over here and it looks like the enemy was just wanting to turn your face, just about 30 degrees! And the Lord says "It was just an attempt to distract." And the Lord said, "Focusing upon 'My' Will and 'My' Purposes is the key! For surely I desire to use you in a way that even out-performs, and is non-conforming," says the Lord, "even to your preconceived notions! For you have had a box in your mind, a picture in your mind, an image of how 'you felt' things were going to happen in your own, uh, past, and things kept circumventing, and things kept turning a different direction. You would expect it to go one way and it's just like 'mmmmt'! It'd go a different way!" And the Lord said, "Don't be discouraged by that, but I say unto you My son, be 're-energized' with - My – Words - of affirmation ... because I 'love you'! And you are not only my 'chosen ... child' ... not only do you belong to 'Me' as a part of my family, but I have a VERY special purpose for you! And I desire to anoint you, and use you, in unique ways!"

"For I say that surely you are as a missile that I shall send into specific needs and specific situations, and I will place within you exactly the weaponry that you need ... in order to minister, explode ... uh, to bring unity ... to speak into ... I will give you in your warhead everything that you need for that specific moment!" And I feel like the Lord is saying that you're like a '9-1-1', uh, 'emmissary of the Lord', 'n that emergency situations ... He knows that he can shoot you into these situations and you immediately begin to produce good fruit for the Lord. The Lord says that, "You have **proven yourself faithful!** You have **proven yourself faithful!**" And the Lord says that "This may have been ignored by some! But it has not be ignored by the Lord ... that He has known your heart, and there have even been times when 'people' have misread your heart, and they have misread your intentions," but the Lord says, "I read you ... like an X-ray! I read you, I know the intents of your heart! I know the thoughts of your mind! And surely", says the Lord, "your future has been secured! Will you not follow, after Me, with all of your heart, and 'shake off' everything that would hinder! Do not allow the distractions and the weights and all the things that would encumber you and entangle your running! Shake 'em off! And get rid of 'em, so that you can run with all your might! Do not 'stumble into' your destiny, but 'get FREE and RUN' towards your destiny, for surely I say that you will bring a light to darkness, and you will go into needy situations with the Word of Life, and you shall go and bring a 'healing word' ... and you shall go and lay hands and you shall administer the graces of God! And you shall be a leader! And you shall lead

others! And they shall respond to your anointing and to your leadership! Do not underestimate what I have for you, my Son, because it is great! And do not allow any strategies of the enemy to be an obstacle – in – your – path! For I have said you are an overcomer! I have declared over you that **You are an overcomer!** And you HAVE ... and you SHALL ... overcome ... all these things! Guard your heart! For the enemy comes to steal ... to kill and to destroy, but **'I'** ... **'I'** ... am in you ... to bring life! **'I'** am in you ... to bring life ... wherever you go, and to whatever you speak into! For surely the plans of the Lord are good! ... and great! And exceed ... even your own imaginations!" Thus saith the Lord.

Now Lord, bless this brother, I pray today! Cause the 'wheat' of the Word of God, to stay near to his heart, and dismiss anything else, in Jesus name! Amen! Amen! Amen! God bless you.
